Volume: Forty Three. **Issue 1**

**JANUARY / FEBRUARY 2023**

## Bitumen for the Tea Tree Road

A 10km section of Tea Tree Road is to be sealed with works scheduled to begin in February. The sealing will include constructing three major flood-ways and further improve travel conditions after a 30km Curnamona-Erudina section was sealed in 2021.

The earthworks and sealing of the road from Yunta to approx. the Mt Victor intersection will be particularly welcomed by heavy transport operators.

SA Member for Stuart Geoff Brock said, "The \$2.4 million works have been funded by the Australian Government as part of the Remote Pilot Road Program. This program aims to improve resilience on the road network through community access, safety, and productivity."

*No more of this...*

## Passing of a Local Legend

The North East district was saddened by the passing of Keith Treloar of Wiawera Station in December. Keith was truly a 'legend' of the area and along with wife Jenny and family whole-heartedly supported the North East.

*See page 9.*

## Truck Damages Bridge

The guard rail of the Winnininnie Bridge was wiped-out in the early hours of 11<sup>th</sup> January when this B Double crashed into it.

*Police report on page 2.*

**Community Briefs**

Greetings to all and best wishes for 2023. As we embark on annual routines – or new adventures (?), there are community events to note in our diaries.

The Yunta Tennis Club will celebrate 60 years since its first Easter Tennis Tournament and this year’s theme will focus on 1963. The younger committee members are working on ensuring it will be a big hit! So start scouring the Op Shops for your 60’s outfits.

The Yunta Race Club has scheduled a gymkhana for 29<sup>th</sup> April with the day’s program to be considered. Rising insurance costs are prohibiting many of the traditional activities associated with fun community events. Competitors might be required to literally ‘wrap themselves in cotton wool’!

Jeff reports that the Highway roadworks are nearing completion and we look forward to the sealing of another 10km of the Tea Tree Rd.

Thanks to the contributors of articles and information for this issue, particularly as they were hounded for early lodgement of content.

Here’s the sprinkling of 2022 total rainfalls rec’d:-

East Whydown	302
Teetulpa	304
Lilydale	333
Manunda	247
Mulyungarie	369

Here’s hoping for good seasons throughout 2023. Anyone experiencing an armada of grasshoppers yet?

Best wishes to all the young folk who are changing schools or embarking on a new career path.

Hearty *Congratulations* to Lauren Yeomans and Morgan Macdonald of East Whydown Station who became engaged in January.

Page 9 features obituaries of some lovely folk who left us in 2022. Condolences to their family and friends.

This issue has been published early and so the Australia Day fun will be reported on in the March issue. We’re off to the tennis.

Looking forward to seeing Yunta’s North East News remain resilient and informative through 2023. This little newspaper relies on community input, so please consider how you can help keep the pages interesting and newsy.

Cheers to all,  
*Ros Breeding*  
Editor, YNEN

**Next deadline: 24<sup>th</sup> February**  
**rosjb@outlook.com**

Greetings,

On 6/01/2023 there was a single vehicle roll over on the Barrier Highway west of Yunta involving five occupants. At the time all were transported to hospital with injuries, including three children. After receiving further information and an investigation, the male driver was reported for driving without due care. Excessive speed was a major cause of the collision.

On 11/1/2023 a B/Double travelling east on the Barrier Highway struck the Winnininnie Creek bridge after moving onto the wrong side of the roadway causing extensive damage to the bridge guard railing and writing off the truck. The driver was subsequently reported after an investigation for driving unlicensed, and driving without due care. The driver also tested positive for drugs.

The Winnininnie Creek Bridge is currently subjected to speed restrictions due to the damage. A big thanks to Yunta CFS who attended both incidents.

As an update of the continuing road works east of Yunta it can be reported that most of the sections are nearing completion, however some speed zone restrictions are still in effect.

I can be contacted on my email jeffrey.allen@police.sa.gov.au as well as the phone 86505004 for any enquiries.

- Jeff

To see a doctor at the Clive Bishop Medical Centre, Broken Hill phone 8080 3780.

JAN-JUNE CLINIC DATES ON PAGE 14

## Highway Havoc

The driver and owners of this B-Double are in a bit of trouble after the accident at the Winnininnie Bridge (see Jeff's report, page 2). The driver was unlicensed and also tested positive for drugs.

The driver of this car also faced driving charges after injuring his passengers, near Nackara.

## Santa Delivers Christmas Cheer

Tim and Eileen of Elders Peterborough hosted a client Christmas gathering at the Yunta Race Club in December with Santa being the featured guest.

Photos....

Santa arrived by fire truck

Oak Park crew; Josh, Jessica, August and Shan

Janeen trying to get onto Santa's 'good' list!

Keith Noble and Bill Hogan enjoyed the night.

## 30 Year SAAS Volunteer

Allen Hucks is Yunta's SA Ambulance Service First Responder and has volunteered in that role for a wonderful 30 years.

SAAS Regional Team Leader Lee Dale, presented Allen with a 30 year service medal recently.

*Congratulations Allen*

## Rough Riding Ringer

In 2022 young Lane Hera-Singh of Mutooroo Station began following his dreams in rodeo arenas. Lane's first ride was at White Cliffs NSW. "I didn't quite make time on my second division bull, and had no luck on my steer", said Lane.

Emma Lovis-Hotchins of Mutooroo proudly reported that Lane has since competed at three rodeos, being White Cliffs, Merbein Victoria - and at Peterborough on 14<sup>th</sup> January. Unfortunately in between these, Lane has missed out on competing at several other rodeos due to various reasons.

Lane was inspired to pursue his lifelong dream after his parents took him to rodeos to watch the rough-riding events when he was younger, said Emma.

Lane was further inspired and mentored by the renowned Noel Fraser and his grandson Cody Fraser.

Lane's Mutooroo Pastoral colleagues from both Mutooroo and Mulyungarie Stations have travelled to rodeos to watch him compete.

Lane Hera-Singh of Mutooroo Station holds on tight.

Photo credit Kirby Simmons

### PETERBOROUGH RODEO

On 14<sup>th</sup> January 2023, after a small downpour of rain that made the arena perfectly damp and brought in a cool change, the All Gen Solutions Peterborough Rodeo got underway at 6:30pm.

With a very large turnout, the evening was a great success for the club. Half time bought some friendly rivalry with 4 teams of 5 spectators enjoying a Tug Of War. With a lot of intense back and forth for 2 minutes, Team 4 won against Team 1.

Only one major injury for the night was Bareback Bronc -rider, J Lane. He was released from hospital on Sunday and is recovering in Victoria.

The PRC extends a big thank you to stock contractor Noel Fraser for doing his last Rodeo at Peterborough.

The PRC would also like to congratulate all the competitors, thank our sponsors, our local clubs and volunteers. We can't put on a massive show like this without you all.

~ Mel Hampel, PRC Sponsorship coordinator

*North East Branch of the*  
**ISOLATED CHILDREN'S PARENTS' ASSOCIATION (Aust)**  
*Celebrates 50 years*

Past and present NE ICPA Branch members gathered at Yunta on 18<sup>th</sup> December to celebrate the Branch's 50 years of action and achievement.

Dot Sandland, Marlene Staude and Christine Fuller travelled from Adelaide for the day, collecting Claire Tiver from Burra on the way. Also attending were Pauline Crawford of Adelaide, Andrew and Deb Bailey of Jamestown, Ross and Gen Sawers of Pitcairn Station and Jane Gloster of Auburn.

All were active members in the earlier days – and some remain so.

The younger members present on the day included Leisa Breeding (President), Kristina Crawford (Vice President), Penny Rasheed (out-going Secretary) and Josephine Williams (in-coming Secretary).

Dot Sandland acknowledged founding Branch members Claire and Athol (dec'd) Tiver.

It was further heartily declared that **Keith and Jenny Treloar** of Wiawera Station were being honoured with **Life Membership** of the North East Branch. Sadly Keith has passed away since hearing of their award and sincere sympathies are extended to Jenny and family. Keith and Jenny were founding members of the Branch and travelled far and wide to safeguard the delivery of education 'in the bush'. All families owe them a debt of gratitude.

During and after the AGM, the chatter revolved around 'the old days', what has been achieved through ICPA and the current status of School of The Air and RICE as well as health assessments of pre-schoolers. The older members showed real interest in the current issues and shared wise and humorous 'tales of old'.

It was a lovely get-together and was enhanced by a lovely lunch (supplied by The Tinsmith's Café) and a photographic power-point display of the past 50 years of the North East Branch.

The **2023 SA State Conference** will be held on 23<sup>rd</sup> March in WOOMERA with the theme 'Launching Futures since 1972'. (*It should be a blast.* Ed). It coincides with the SOTA School Camp, also at Woomera; a great idea!

To enquire about the North East Branch, email Leisa on [Braemar@mcbride.com.au](mailto:braemar@mcbride.com.au)

- Ros Breeding, Member, NE Branch

Leisa and Kristina

The North East Branch of the ICPA mourns the December passing of founding member **Keith Treloar** and also 1980's-90's member **Rick Pearse**.

Sadly, **Tanya Robertson**, daughter of Sue & Peter Crowhurst also passed away late in 2022.

*Sincere Condolences*

# North East Pastoral Group SAAL

The North East Pastoral Landscape Group will meet in Yunta on Thursday 2 February to discuss kangaroo management and upcoming events. Updates will be provided on the ongoing Kangaroo Partnership Program and a quota report will be provided on the 2023 Department for Environment and Water commercial harvest figures.

A new date has been set for the rescheduled **Koonamore Stickybeak Day** and it's one to add to your diaries. The event, to be held on **Tuesday 21 March**, promises a great program of soil-related talks and activities.

Before and after cochineal application to cactus

Landholders experiencing issues with Opuntoid cacti species are invited to contact SAAL's Sustainable Landscape Officer Paul Hodges to discuss the possibility of using biocontrol methods to control infestations. SAAL Landscape Board is breeding cochineal (*Dactylopius* spp.) in a nursery in Port Augusta for use across the region. While not a silver bullet, cochineal is a great assistant in coordinated multi strategy cactus removal. Have a look at the impact from cochineal deployment undertaken at Stirling North Golf Club. Paul Hodges can be contacted on 0417 738 498.

Now is also a great time to start thinking about applying for one of the board's annual **Grassroot Grants**. Up to \$10,000 is available per project, and the 2022-23 round assisted multiple property owners across the North East Pastoral with boxthorn management and aerial Noogoora burr control. Applications will open on Monday, 6 March.

If you have any questions for the SAAL Landscape Board, please call 8429 9666 or call Community Landscape Officer Charlie Eager on 0437 795 792.

## *Just Married*

Henry Treloar & Elly Spyrou married at Lot100 in the Adelaide Hills on Friday 6<sup>th</sup> of January, 2023.

Henry is the son of Jim & Jenny Treloar of Wadnaminga Station and Elly's parents are Nick & Natalie Spyrou.

Henry reported that the wedding was a blend of Greek and Australian traditions with dance-floor festivities beginning with Zorba - and ending with the Aussie 'anthem' Eagle Rock which was accompanied by some real shenanigans by the North Easterners.

Henry's sisters Charlotte Rosa and Lizzie Treloar 'brought down the house' as MCs and Eddie Morgan was one of the groomsmen.

## **COMMITTEE BASICS Training**

**at Yunta**

**Wednesday 17th May, 2023**

A FREE three-hour training session with a leading mentor and award winning rural advocate.

If you volunteer your time for a committee, sporting group, progress association or community-based organisation, this is for you.

If you are not part of a committee, but might like to be, this is a great place to start your learning!

*More details in the March issue of YNEN*

Things are moving at Cockburn; Havilah Resources are further developing their new base in Cockburn which is great to see. Many other blocks have recently changed hands and new people are planning to develop around town also.

Our community members have stepped up when challenges happened - and have kept the facilities such as the post office operational during these challenges, thank you to those people.

The pub and van park leases are still up for grabs. There has been some great interest from local and afar but nothing is locked in as yet; so get in now for a look through and an opportunity to meet the wonderful Jennie and Roy who are doing an amazing job of keeping it all alive.

HELP PLEASE - Jenny and Roy need to be away in March for medical reasons. It would be great if we had new people by then, but we are looking for support to keep the Post Office, the pub and park facilities operating during this time. Perhaps you'd like a taste of what it's like before committing, come and drop in and see and say g'day?!

The postal service is such a big service for this region and we won't deny it's been a challenge to keep it operating the last few years. Any input and support is welcome to keep this integral service alive for our wider community.

Calling for members. – The CPA Inc. is seeking members to assist with these ongoing projects and to help drive a new future for Cockburn and the surrounding region. Do you have thoughts of what you would do?? Please share - or come and lead the change.

And finally, but most importantly - our thoughts and prayers go out to the Treloar family on the loss of Keith Treloar just before Christmas. A truer example of care, support, leadership and mentorship for the North East and its people would be hard to find.

For any queries from this update please contact [secretarycockburn@outlook.com](mailto:secretarycockburn@outlook.com) or [coburnhotel@coburnhotel.com](mailto:coburnhotel@coburnhotel.com) or FB or me [esamryan@gmail.com](mailto:esamryan@gmail.com)

## Obituaries

### Keith Treloar

15/02/1932 -  
21/12/2022

Keith Harvey Treloar of Wiawera Station passed away peacefully on Wednesday 21st December 2022 at Broken Hill, in his 91<sup>st</sup> year.

Keith was the dearly loved husband of Jenny, loving father and father-in-Law of Andy & Helen, Duncan (dec), Vicki & Mark and Greg & Sanchia.

Dearly loved Grandfather to Jason & Kirsty, Kelly & Matt, Ben & Robyn, Keith & Shannon, Caitlin, Flynn & Lucy, Sophie, Chloe & Riki. Loving Great-Grandfather of twelve.

Clyde Thompson (formerly of the RFDS) led the memorial service at Broken Hill and spoke of his own friendship and admiration of Keith and Jenny.

Andy delivered the eulogy which included mentions of the 'shenanigans' that Keith and his brothers Brian and Graeme involved themselves in whilst growing up on Mooleulooloo Station.

Other friends spoke of Keith's wonderful life as did nephews Jim and Ben Treloar.

There were mentions of Keith's love of flying, his handyman and manufacturing skills and his good humour and compassion.

Keith and Jenny are legendary in their support of the Royal Flying Doctor Service, helping to provide that 'mantle of safety' – and tremendously assisting in fund-raising efforts.

Keith and Jenny were among the founders of the Isolated Children's Parents' Association (Australia), attending the very first meeting at Bourke 50 years ago. Keith served on Federal Council for 10 years and Keith and Jenny were awarded with North East Branch ICPA Life Memberships in December.

The Olary Pistol Club, Olary Race Club and Golf Club all benefitted from Keith's involvement and he served as the NE CFS President and was a SA Board-member, earning a National medal for his involvement. Keith was a JP for 56 years and also served as President of the NE SAFF.

And of course, there were plenty of laughs as friends and family shared tales of Keith's fun-loving spirit.

**Vale**

### Rick Pearse

27.12.1951 ~ 20.12.2022

Rick along with Faerlie, Emma and Sam, owned and managed Winnininnie Station from 1981 until 2000. He was active in the local community being involved with the Race Club, School Council and CFS.

Rick died after a short illness and the Celebration of Rick's life was attended by many past and present North East residents on Friday 13<sup>th</sup> January in Adelaide.

After leaving Winnininnie, Rick worked as a consultant before being widely respected as The Sharpening Man; a role which included much travel and increased friendships.

Rick was the much loved husband of Faerlie, father and father-in-law of Emma and Mick, Sam and Samantha - and adored Pa of Cole (Nicole), Georgie, Millie (Amelia), Elsie and Nor (Eleanor). *Sadly missed.*

☞

### Tanya Robertson (nee Crowhurst)

08/04/1972 - 07/12/2022

Tanya grew up on McCoys Well Station after being born at Peterborough SM Hospital. She passed away at Victor Harbor Hospital on 7<sup>th</sup> December 2022, aged 50.

Tanya was the loving wife of Darryl and mother of Iona and Charlie. She was the cherished daughter of Peter and Sue Crowhurst and much loved sister, sister-in-law and aunty of Anne, Scott and families

Her funeral service was held at Victor Harbor on 21st December 2022, with loving tributes from her siblings and friend Julie MacLachlan.

☞

### John Lord

John Montgomery Lord of Thackaringa passed away on December 14th 2022 aged 98 years.

Beloved husband of the late Pamela.

Dearly loved Father and Father-in-law of Sally and Tony, and David and Jill. Grandfather to Ricky, Tom and Lachlan, Emma, Charlie and Hugh. Great grandfather of 8. John was farewelled at Broken Hill on 9th January 2023.

☞

# Rifle Club hosts Christmas Shoot

With an array of Christmas treats on offer, shooters from around SA as well as Broken Hill travelled to compete in the Yunta Christmas Shoot, held on 3<sup>rd</sup> December.

The 30 shooters competed in mostly fine weather conditions with good results across the board. Shooters appreciated the temporary structures shading the shooting mound and the comforts of the clubhouse.

The Club maintained its culinary reputation with the usual sumptuous Saturday buffet lunch and bbq dinners on the Friday and Saturday nights. Despite Kerry being 'shot down' with Covid on the Friday, she managed to bake and send her usual load of treats. The visiting ladies helped to prepare and serve the meals as they always do. Thanks especially to Don and Linda Merritt of Broken Hill who not only made and supplied Christmas puddings for prizes and sweets, but also helped with the food preparations.

Three ranges were shot by the 30 shooters; 2 x 500yard and 1 x 300 yard range.

Scores were tallied and uploaded to the NRAA website by Don Flynn of Roxby Downs and Ali Hansen of Crafers. Prizes were presented late afternoon with many kind words contributed by the winners.

Bill Naismith of the Yanyarrie-Orroroo Club was fresh back from the National Teams Shoot in Canberra, but found the centre of the target enough times to win the Target Rifle Competition. In accepting his shield and prize, Bill commended the Yunta RC members for again hosting a successful day. Malcolm Hill of Pt Pirie RC again won the F Class from a strong field.

Yunta Rifle Club Captain Warren Breeding thanked Allen Hucks and Richard Steel for having everything in readiness for the day. He endorsed the words of visitors in thanking the ladies in the kitchen – and wished Kerry well. Also thanked were all attending; particularly, those who ensured it was a successful event either by target and clubhouse preparation, catering and/or donations of goods or prizes.

Malcolm Flavel (formerly of Peterborough and former President of the SA Rifle Association) was invited to present the prizes to all winners.

Congrats to TR winner Bill Naismith and F Class winner Malcolm Hill.

~ Annie Oakley

TR winner Bill Naismith of Orroroo was presented with the Shield by Malcolm Flavel.

# Looking Back through the pages of Yunta's North East News

Vol. 30 Issue No. 1 **JANUARY-FEBRUARY 2010**

A full page of community briefs reported many recent local activities. Welcomed to the district were Yunta's new Police Officer Stephen Garden and his family.

The Yunta School had seen the welcome addition of a verandah along the main building as well as other structural changes and a landscaping project. The Pumpa family of Paratoo Station had been farewelled at the Christmas Concert.

The North East had buoyed the Burra Boarding House residency numbers with eight students who were attending Burra Community School.

At the AGM of the North East Branch of ICPA, executive officers were re-elected being: President: Colleen Grove-Jones, Vice President Rev Jenny Swanbury, Secretary Bronwyn Palmer and Treasurer Jackie Mattey. The Branch had raised over \$1000 through the publication and sales of the recent issue of the NE Phone Directory.

## OCA Director Mark Sutton Farewelled

Community members from around SA's Outback were sorry to hear of the departure of Mark Sutton from his role as Director of the Outback Communities Authority after many years at the helm.

Mark's admiration of the outback and its people was evident - and many can attest to him going 'above and beyond' his role to assist outback communities with projects during his long stint with the OCA.

In response to an email of appreciation from the Yunta Race Club, Mark said, "It has been an absolute pleasure to have lived and worked in the Outback. I have met some wonderful people and visited some amazing places over my 31 years in the region."

### **New Horizons**

Mark Sutton and Ross Sawers, pictured at Yunta in 2020, have both left important roles.

## Landscape Board Appoints New Chairperson

The appointment of a new presiding member and one new member has been made to the SA Arid Lands Landscape Board.

Douglas Lillecrapp of Todmorden Station in the Marla Oodnadatta district was appointed as the Board's new presiding member, after former chair Ross Sawers stepped down after two terms of service. The Flinders Ranges Council chief executive officer Eric Brown was appointed to the vacant position on the board.

Current members Ellen Litchfield, Sanchia Treloar, Kurt Tschirner, Scott Michael and Tim Flowers were re-appointed.

Ross Sawers (pictured below left) of Pitcairn Station was thanked for his service and commitment to the SA Arid Lands.

## Letter from the YNEN Editor

President and committee members,  
Yunta District Hall Inc

Dear Allen and members,

On behalf of the Yunta District Hall I have since 1985, held the position of Editor of Yunta's North East News. And so it is with sorrow that I hereby advise my intention to resign the position in 2023.

Our community newsletter has purveyed news and information throughout the North East since its original format was developed by staff and students of the Yunta Special Rural School in the early 1980's and it is my sincere hope that it continues into the future.

I will assist the committee to source a new volunteer editor and I am certainly willing to guide and support the future editor. I anticipate a transition period of several months will be necessary - and it is my intention to remain involved in producing regular articles for Yunta's North East News.

Sourcing articles and producing the newsletter has been a substantial time-burden for me during 34 of the past 38 years, thus my decision to step away from the Editor's position.

I sincerely thank past and present members of the Yunta District Hall for their ongoing support of my role as Editor.

Kind regards,

*Ros Breeding*
