Saluting Their Service (STS) Commemorative Grants Program

The Saluting Their Service (STS) Commemorative Grants Program is designed to commemorate the service and sacrifice of Australia's service personnel in wars, conflicts and peace operations, and their families. Up to \$3.5 million is available each financial year for distribution, split across three batches throughout the year.

The intended outcome of the grant opportunity is to provide funding for projects and activities that:

- promote appreciation and understanding of the experiences of service and the roles that those who serve have played
- preserve, add to the sum of knowledge on, or provide access to information about Australia's wartime heritage.

Community Grants (CG)

Grants to a maximum of \$10,000 are available for community-based commemorative projects and activities. These small grants are for projects and activities that are focused on the local community, commemorate the service and sacrifice of local community members, and are primarily accessed by the local community.

Examples of CG projects and activities include:

- development of an Honour Roll
- restoration of an existing local War Memorial
- supply and installation of a cabinet to display military memorabilia
- installation of flagpoles

Major Grants (MG): Grants between \$10,001 and \$150,000 are available for major commemorative projects and activities that are significant from a national, state, territory and/or regional perspective. MG grants will have a much wider focus than CG category applications and must be commemorative of the service and sacrifice of service personnel beyond the local community, and/or consist of elements that are available to the whole nation, or residents of a state, territory, or regional area. If your project has a high monetary value, it does not necessarily mean that it is considered an MG.
