OCA considers Ombudsman's report

The Outback Communities Authority has received the Ombudsman's final report following his investigation into whether the OCA:

- complied with the requirement outlined in the *Outback Communities (Administration and Management Act) 2009* to consult about the community affairs resourcing and management agreement for Andamooka
- had valid authority for the Andamooka community contribution scheme.

The OCA will now consider the Ombudsman's report and make a full statement in due course.
